

BRISBANE BATHROOM HIRE

LUXURY PORTABLE BATHROOMS

Luxury Portable Shower Units

Brisbane Bathroom Hire will deliver, set up and connect the Luxury Portable Shower Unit to services so the shower is ready to use. We use drinking quality water hoses and our showers are protected by an RCD electrical safety switch.

Waste water is diverted on to the grass, garden or sewer system where gravity allows.

Features include:

- Modern shower units with double skin walls complete with flick mixer tap, soap and shampoo shelves, clothes hooks and small mirror.
- Moulded plastic tray with plastic base makes for easy cleaning and low maintenance.
- Translucent roof for natural lighting in unit
- 50 litre quick recovery plug in electric hot water system
- Shower curtain to protect clothes and towels from water spray.
- Showers are a spacious 1.12m x 1.12m x 2.34m
- Plenty of ventilation.
- Internal LED light
- RCD Protection
